TO OUR FRIENDS, OUR CUSTOMERS

THE ever-increasing demand for flowers is one of the most encouraging facts of our present day. Years of unrest and turmoil have now given place to nearly normal conditions, and in the appreciation of comfort there has been born a new love for the truly beautiful as expressed to us everywhere in nature.

The true heart will never fail to enrich itself with the glories of our spring-blooming bulbs—bashful Snowdrops and gay little Crocuses, stately Hyacinths and Tulips, glorious Daffodils and Jonquils, and many others. These are the flowers which come with the awakening of nature from its long winter sleep.

Many of these Dutch bulbs are suited for growing during the winter months indoors, and just a few hours' devotion to planting and caring will give us a marvelous wealth of colors and forms throughout the winter when our windows may be filled with a brilliant array of glowing hues.

Then in the garden, before the last snows have melted away, they will come poking their heads through the ground to greet us, and vying their beauty with the setting sun, will add a new joy with life just begun.

NARCISSUS

Outdoors: All that Daffodils need is a good start to make themselves naturally and gloriously "at home" in any location. All Narcissi or, as they are commonly called, Daffodils, are hardy, with the exception of the clustered Polyanthus varieties, which must be planted deeply to live over our winters in the open. The Burpee leaflet, "Bulbs for Winter and Spring Blooming," gives complete directions on how to plant Narcissi in the open as well as indoors. Write for a free copy of this interesting and instructive leaflet when ordering your bulbs.

In the house: Narcissi are very easily grown indoors in pans, pots, or boxes, no greenhouse or conservatory being needed to raise perfect blooms. If you will follow the instructions given in our leaflet mentioned above, you are assured of success.

The Narcissi are broadly divided into three groups, according to the size of their trumpet, as the cup or inner tubular part of the flower is called. The outer row of petals is known as the perianth, and in some sorts this perianth differs in color from the trumpet. There are a few varieties in which the trumpet is double. The small trumpet Narcissi are again divided into several classes, of which the Poeticus, Poetaz, Polyanthus, and Jonquils are the most beautiful and important ones.

Large Trumpet Daffodils

These are the true old-fashioned hardy Daffodils. The flowers are of remarkable size, with large trumpets. These large and most glorious Narcissi make exceptionally fine cut-flowers and are well adapted for forcing. They are perfectly hardy, and make a fine display in large beds or naturalized in the wildwood, where they will live almost indefinitely.

9407 Golden Spur *Illustrated in colors on the inside front cover.* A large and remarkably fine substantial flower. Uniform deep golden yellow; the most popular of the single Narcissi. It is the best forcing variety. Planted in the open, GOLDEN SPUR begins to flower very early and keeps in full bloom for a remarkably long time. Strong and vigorous; 16 inches high. 12¢ each; 6 for 55¢; 12 for \$1.00; 50 for \$3.45; 100 for \$6.50.

9412 Madame de Graaff This is one of the most beautiful varieties of the bicolor class, bearing magnificent and graceful flowers. The trumpet is rich yellow, with a fine white perianth of slightly twisted petals; 16 inches high. Fine for borders or beds. 12¢ each; 6 for 50¢; 12 for 90¢; 50 for \$3.25; 100 for \$6.00.

9420 Victoria A fine variety; perianth creamy white, trumpet rich yellow, delicately perfumed; unsurpassed for pot culture and always satisfactory out-of-doors. VICTORIA is an old standard variety that has proven a sure bloomer under the most varied conditions met with in America. Our double-nosed bulbs of this variety make healthy and strong plants. VICTORIA is well suited and very much used for mass planting. As a cut-flower it will last a long time in water. It is one of the most graceful Narcissi; grows 16 inches high. 14¢ each; 6 for 60¢; 12 for \$1.10; 50 for \$3.65; 100 for \$7.00.

Glory of Leiden
"The King of Daffodils"

9405 Glory of Leiden *See illustration.* Known in Holland as "The King of Daffodils." Massive yellow trumpets; flowers held boldly erect on stout, strong stems. It is of the easiest culture, and is grown in pots as much as in the garden. GLORY OF LEIDEN is one of the varieties that should be in every complete collection; 16 inches high. 15¢ each; 6 for 65¢; 12 for \$1.20; 50 for \$4.00; 100 for \$7.50.

9418 Van Waveren's Giant The flowers are unusually large and bound to attract attention. They are always greatly admired. The perianth is bold and of a heavy texture. The color is a soft primrose. The trumpet is large, open, attractively waved, and undulated. The color of the trumpet is a bright and rich golden yellow. VAN WAVEREN'S GIANT is an excellent forcing variety, bearing its large and well-built blooms on long and strong stems. In season it is one of the earliest to come into bloom, lasting for a remarkably long time. 30¢ each; 6 for \$1.40; 12 for \$2.50; 50 for \$9.00; 100 for \$17.00.

All of the Narcissus bulbs offered on this page are so-called "double-nosed" bulbs. The double-nosed bulbs are the most satisfactory, because they will not only make stronger plants, but will produce at least two vigorous flower-stems. Read the Burpee Guarantee on page one.

NARCISSUS—Medium Trumpet

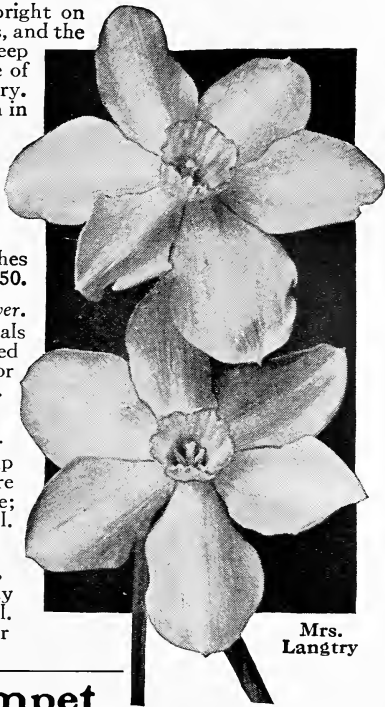

A beautiful class, with large, sweet-scented flowers borne upright on long and strong stems. The perianth is composed of large petals, and the cup is of medium length. The bulbs are hardy and if planted deep enough will withstand very severe winter weather. This type of Narcissi are extensively used for naturalizing among shrubbery. They are also very showy planted in beds and are easily grown in pots for winter and spring blooming.

9426 Conspicuous The light yellow perianth is made up of large and broad petals. The cup is short and of a rich yellow color, edged with bright orange-scarlet. A free-blooming, extra fine variety of unusual vigor. Very showy in the border or naturalized in the woodland or lawn. Easily forced for winter blooming indoors without the need of greenhouse; 20 inches tall. 8¢ each; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50.

9429 Lucifer *Illustrated in color on the inside of the front cover.* Sulphur-white perianth composed of long, well-rounded petals arranged in a star-fashion. The cup is intense glowing orange-red edged bright orange. Magnificent showy flowers blooming for a long time. It is a most attractive variety; 18 inches tall. 12¢ each; 6 for 50¢; 12 for 90¢; 50 for \$3.25; 100 for \$6.00.

9431 Mrs. Langtry *See illustration.* A remarkable free-flowering variety with broad white perianth and large white cup edged bright yellow. When the flowers first open up the entire cup is pale yellow. They bloom very freely for a long time; and as a cut-flower last a long time in water; 16 inches tall. 8¢ each; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50.

9438 Sir Watkin Perianth sulphur-yellow; cup yellow, tinged bright orange. A most magnificent giant-flowered variety and one of the best medium-crowned Daffodils; 20 inches tall. Large, round bulbs. 12¢ each; 6 for 55¢; 12 for \$1.00; 50 for \$3.45; 100 for \$6.50.

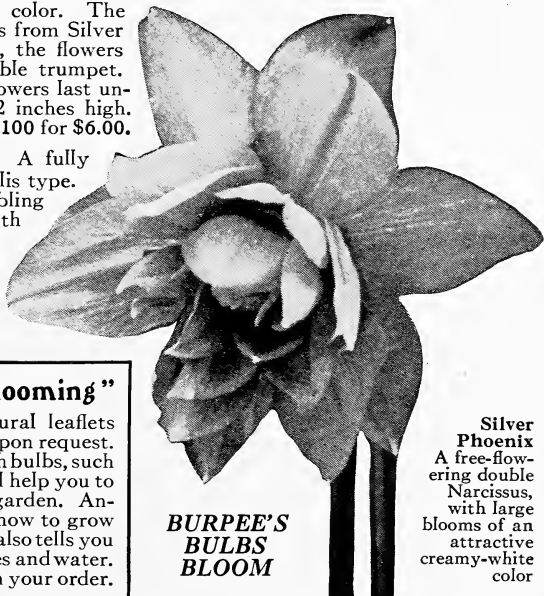

Mrs.
Langtry

NARCISSUS—Double Trumpet

The double varieties are particularly well adapted for winter forcing and keep a long time as cut-flowers. A pan of double Daffodils is one of the most attractive decorations one could desire. Grown in the open they are suited for planting in solid beds, or they may be naturalized either in the lawn, the meadow, or the woodland. A clump here and there in the perennial bed makes a very attractive showing. The Double Trumpet Narcissi are grown just as easily as the single ones.

9445 Von Sion *Illustrated in color on the inside of the front cover.* A Double Trumpet variety of great merit and considered the best in its color. The flowers are a lovely golden yellow. It differs from Silver Phoenix not only in color but also in form, the flowers having a distinct perianth and a fully double trumpet. One of the best for forcing, since the large flowers last unusually long. Fine for the open border; 12 inches high. 12¢ each; 6 for 50¢; 12 for 90¢; 50 for \$3.25; 100 for \$6.00.

9443 Silver Phoenix *See illustration.* A fully double variety belonging to the Incomparabilis type. The flowers are large and well formed, resembling a giant double buttercup. Creamy white with sulphur-yellow center. Excellent as a cut-flower. They look their best if planted in masses either in beds or naturalized in the woods. Grows about 18 inches high. 9¢ each; 6 for 45¢; 12 for 80¢; 50 for \$2.75; 100 for \$5.00.

"Bulbs for Winter and Spring Blooming"

This is the title of one of the Burpee cultural leaflets which will be sent free to Burpee customers upon request. It tells you how to plant and care for the Dutch bulbs, such as Hyacinths, Tulips, and Narcissus. It will help you to get a glorious display of these bulbs in your garden. Another chapter gives complete directions on how to grow these bulbs during winter in pots or pans. It also tells you how to grow bulbs in bowls filled with pebbles and water. Be sure to ask for a free copy of this leaflet on your order.

**BURPEE'S
BULBS
BLOOM**

POLYANTHUS NARCISSUS

Large-Flowered Paper White

Enjoy their beauty and fragrance all during winter and early spring by making successive plantings in bowls filled with pebbles and water

Deliciously sweet-scented flowers growing in clusters of from 4 to 12 blooms. They grow wild on the Canary Islands and in China and Japan. The foliage is dark green and rather broad. They are of easiest culture and especially adapted for growing in pots or pans filled with pebbles and water. They are less hardy than other groups, but can be grown outdoors, where the winters are not too severe, if planted deeply, covering with 6 to 10 inches of fine soil. The Polyanthus Narcissi are much wanted for winter forcing in the house. They remain in bloom for a long time and are also useful as cut-flowers. They can easily be forced and do not require a conservatory or greenhouse.

9460 Large-Flowered Paper

White *Illustrated in colors on inside front cover.* This is very similar and, in fact, easier to grow in water than the Chinese Sacred Lily.

Many people refer to the Large-Flowered Paper White as the Chinese Sacred Lily. The clusters of blooms contain 6 to 12 flowers each. They are pure white and deliciously fragrant. This is possibly the best known of all the Narcissi.

3 for 22¢; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50; 1000 for \$40.00.

9459 Soleil d'Or This attractive variety is just as free blooming as the Large-Flowered Paper White and carries 6 to 10 flowers on a single stem. The blooms are an intense yellow, with a small cup of a contrasting orange color. It is excellent for forcing during the winter time. 3 for 40¢; 6 for 70¢; 12 for \$1.30; 50 for \$4.60; 100 for \$9.00.

NARCISSUS POETAZ

Hardy Cluster-Flowered Daffodils

These new hybrids originated from crosses between the hardy Poeticus type and the free-blooming Polyanthus type. They resemble in general appearance both parents. They inherited their large size from the Poeticus and their habit of forming flowers in clusters from the Polyanthus type. Each cluster bears 2 to 6 flowers, which are arranged in a loose and artistic bunch. The plants bloom freely and continuously. They are extremely hardy, vigorous, and valuable for bedding or forcing.

9452 Elvira *See illustration from a Fordbook photograph.*

This is considered the very best of all the Narcissus Poetaz. The flowers are borne on strong stems and come in clusters of from 2 to 6. The perianth is pure white and the cup is a contrasting rich yellow color. This variety grows about 18 inches high and is well adapted for growing in the house during winter time. Planted outdoors, the bulbs will increase in number with every year and will make a beautiful display naturalized in the woodland or meadow. 3 for 25¢; 6 for 45¢; 12 for 85¢; 50 for \$3.00; 100 for \$5.50.

Flowers will give to our homes a touch of beauty far more impressive than the finest furniture or the most expensive pictures. It is during winter time, when all outdoors is covered with a blanket of snow, that we appreciate most sincerely the beauty of flowers. The Dutch bulbs, the kind to plant in the fall, are easily grown for winter blooming and NOW IS THE TIME to get the bulbs and start them for blooming from Christmas until early spring.

JONQUILS

Narcissus Jonquilla

Jonquils are a small-flowering type of Narcissus. They are slender and graceful in habit, growing about 1½ feet tall. They are perfectly hardy. The leaves are a very attractive dark green, narrow, and rush-like. The flowers are borne in clusters of from 2 to 6 and have a delightful perfume. Jonquils are wonderful for naturalizing in the woodland or in the meadow, but they are just as easily forced in pots for winter blooming. Plant the bulbs closely together, without having them actually touch each other, in shallow pots or pans and keep them in an airy, dark, cool, but frostproof cellar or room for from 4 to 6 weeks, watering occasionally to encourage a strong root growth. Keep for 2 or 3 days in a semi-shaded place before placing them in a sunny window.

9463 Single Campernelle *Illustrated in color on the inside front cover.* This is the most widely known of all Jonquils. It is extremely free-flowering and blooms quite early in the spring. On account of its strong growth it is used extensively for naturalizing and will do well in almost any location. They grow 12 inches high. 8¢ each; 3 for 22¢; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50.

NARCISSUS POETICUS

Poet's or Pheasant-Eye Narcissus

This is the true old-fashioned Narcissus, with its beautiful and sweet-scented flowers. The plants are perfectly hardy and make a strong growth early in the spring.

The leaves are a rich dark green and form a beautiful contrast to the flowers, which measure 2 to 2½ inches across. On account of its hardiness it is used extensively for naturalizing in the woodland or meadow. After once being planted and left undisturbed it will increase in number and beauty with every year. The plants look best in clumps and grow about 18 inches tall.

9456 Poeticus Ornatus *Illustrated in color on the inside front cover.* The attractive flowers have a pure white perianth and a cup of rich saffron-yellow edged bright crimson. It is most conspicuous in mass plantings and makes an attractive show if planted in clumps of a dozen or more among shrubbery or the perennial border. It is also easily forced indoors during winter time. 8¢ each; 3 for 22¢; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50.

9474 MIXED DAFFODILS

Many of our friends have requested us to furnish them with a mixture of Narcissus which could be used for mass planting in the meadow or in the woodland where the plants will grow to perfection under natural conditions. Our mixture of Daffodils contains all those varieties which are suited for this purpose. They are all hardy varieties which will multiply from year to year and will give the natural effect so much desired. 6 for 30¢; 12 for 50¢; 50 for \$1.80; 100 for \$3.25; 500 for \$15.00; 1000 for \$28.50.

HYACINTHS

Outdoors: Hyacinths are wonderfully well adapted for planting in beds outdoors, and the attractive display of colors early in the spring is a source of great pleasure to the flower lover. Hyacinths are easily grown outdoors, planted in the fall and covered with a protection of straw manure which is taken off in the first warm days of spring.

In the House: Hyacinths may be had in full bloom in pots, pans or boxes throughout the winter and until late into the spring. With their delicate perfume and their rich, gay coloring they bring joy and gladness into our homes. There are no bulbs easier to raise indoors for blooming during the winter than hyacinths.

Grand Maitre

9004 Enchantress *Illustrated on the back cover.*

One of the most lovely of all Hyacinths, with long and attractive flower-spikes. The individual bells are closely set on the stem, completely covering it. They are of a beautiful light delft-blue, shaded with a somewhat deeper blue. ENCHANTRESS is an early bloomer, valuable for bedding and fine for forcing in pots or in special Hyacinth glasses. *Mammoth size for forcing:* 20¢ each; 6 for \$1.10; 12 for \$2.00; 50 for \$7.50; 100 for \$14.00. *Large size for bedding:* 15¢ each; 6 for 80¢; 12 for \$1.50; 50 for \$5.50; 100 for \$10.00.

9009 King of the Blues *Illustrated on the back cover.*

KING OF THE BLUES outclasses all other deep blue varieties on account of its purity and richness of color. The individual flower-spikes are long and they are fully set with large bells of a rich dark blue color. KING OF THE BLUES is a very good late forcing variety and also makes a fine show in the flower-bed. Of even height and coming into bloom all at the same time. *Mammoth size for forcing:* 20¢ each; 6 for \$1.10; 12 for \$2.00; 50 for \$7.50; 100 for \$14.00. *Large size for bedding:* 15¢ each; 6 for 80¢; 12 for \$1.50; 50 for \$5.50; 100 for \$10.00.

9007 Grand Maitre A glorious spike of large bells closely set on a long and strong stem. The color is a rich deep porcelain blue of unusual appeal and lasting quality.

Excellent for bedding, but just as useful as a forcing variety. *Mammoth size flowers for forcing:* 20¢ each; 6 for \$1.10; 12 for \$2.10; 50 for \$7.80; 100 for \$15.00. *Large size for bedding:* 15¢ each; 6 for 85¢; 12 for \$1.60; 50 for \$6.20; 100 for \$12.00.

9014 Lady Derby *Illustrated on the back cover.*

Those who prefer rich pink shades will be delighted with this wonderful fine Hyacinth. The flower-spikes are strong and long and they are closely set with large bells of a beautiful clear rose-pink. Grown in the open as a bedding variety, it is simply beautiful, but it is also easily forced, making fine pot-plants. Grown indoors the flowers are of a slightly deeper shade. *Mammoth size for forcing:* 20¢ each; 6 for \$1.10; 12 for \$2.00; 50 for \$7.50; 100 for \$14.00. *Large size for bedding:* 15¢ each; 6 for 80¢; 12 for \$1.50; 50 for \$5.50; 100 for \$10.00.

Enchantress
A grand variety for pot-culture in the house

Collections of Hyacinths

These collections contain the following 5 varieties, all of which are illustrated in colors on the back cover—Enchantress, King of the Blues, Lady Derby, La Victoire, and L'Innocence.

9710—One mammoth size bulb each (5 bulbs), \$1.00

9711—Three mammoth size bulbs each (15 bulbs), 2.75

9712—Six mammoth size bulbs each (30 bulbs), 5.00

9713—Twelve large size bulbs each (60 bulbs), 6.50

9006 Gertrude This charming bright carmine-rose variety is a great favorite for outdoor bedding as well as for forcing indoors. The magnificent spikes are long and strong. The heads are compact and closely set with the brightly colored bells. *Mammoth size for forcing:* 20¢ each; 6 for \$1.10; 12 for \$2.10; 50 for \$7.80; 100 for \$15.00. *Large size for bedding:* 15¢ each; 6 for 85¢; 12 for \$1.60; 50 for \$6.20; 100 for \$12.00.

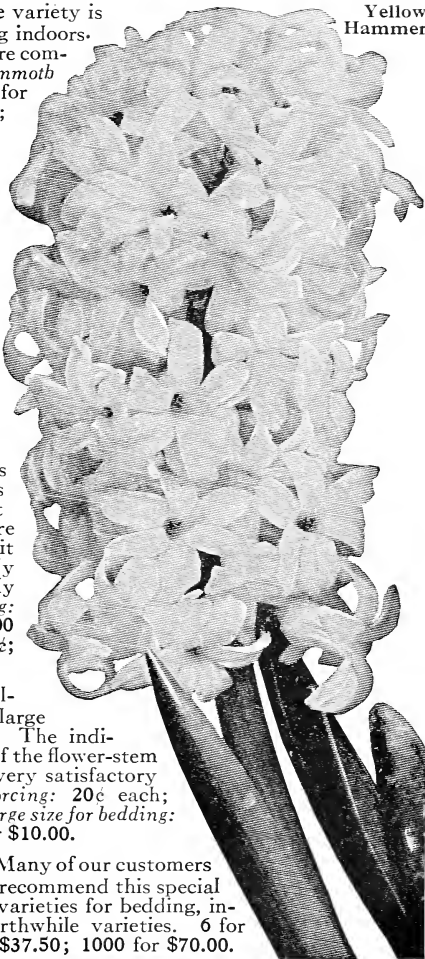

9019 La Victoire *Illustrated on the back cover.* LA VICTOIRE is one of the earliest of all Hyacinths to come into bloom. It is an excellent bedding variety, with long stems, staying in full bloom for an exceptionally long time. The stems are not only long but unusually solid, so that the flowers will stand up well even under adverse weather conditions. The color of the flowers grown outdoors is a brilliant scarlet. When grown under glass it is somewhat lighter. LA VICTOIRE is extensively used as a pot-plant, as it forces very easily. *Mammoth size for forcing:* 20¢ each; 6 for \$1.10; 12 for \$2.00; 50 for \$7.50; 100 for \$14.00. *Large size for bedding:* 15¢ each; 6 for 80¢; 12 for \$1.50; 50 for \$5.50; 100 for \$10.00.

9023 L'Innocence *Illustrated on the back cover.* The demand for a really pure white Hyacinth has always been very strong and, in our opinion, L'INNOCENCE is really the best of all white Hyacinths for all purposes. It is an extra-early variety, bearing long spikes which are closely set with magnificent white bells. Grown in beds it makes a beautiful display, but it is also used extensively for growing in pots or in water for winter and early spring blooming in the house. *Mammoth size for forcing:* 20¢ each; 6 for \$1.10; 12 for \$2.00; 50 for \$7.50; 100 for \$14.00. *Large size for bedding:* 15¢ each; 6 for 80¢; 12 for \$1.50; 50 for \$5.50; 100 for \$10.00.

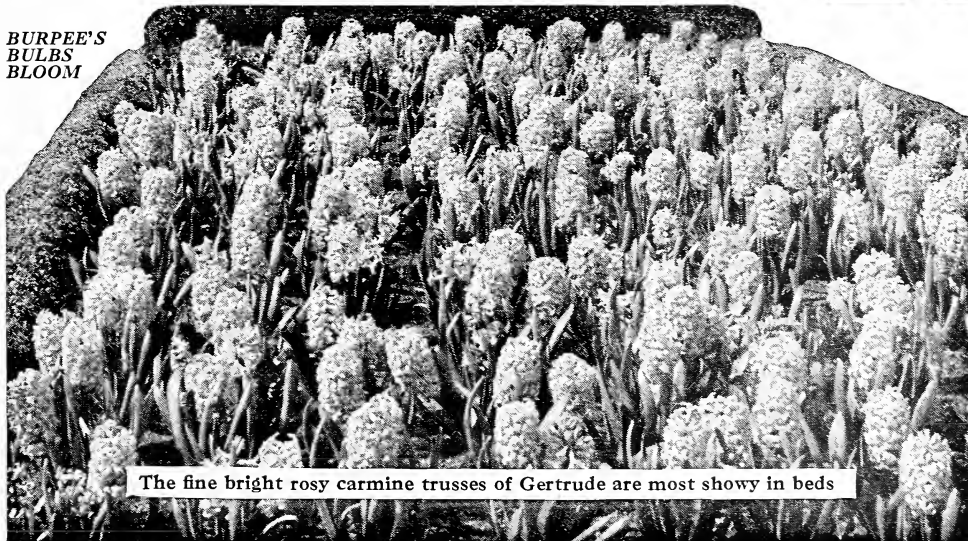

9031 Yellow Hammer This is the best of all yellows for indoor growing. It is easily forced and forms large compact spikes, well set with rich creamy yellow bells. The individual flowers are so closely set together that hardly any of the flower-stem can be seen. YELLOW HAMMER blooms early and is a very satisfactory variety for forcing or bedding. *Mammoth size for forcing:* 20¢ each; 6 for \$1.10; 12 for \$2.00; 50 for \$7.50; 100 for \$14.00. *Large size for bedding:* 15¢ each; 6 for 80¢; 12 for \$1.50; 50 for \$5.50; 100 for \$10.00.

9036 Fine Mixed Hyacinths for Bedding Many of our customers like the appearance of mixed beds of Hyacinths, and we recommend this special mixture for their purpose. It contains all of the finest varieties for bedding, including the six varieties listed and also many other worthwhile varieties. 6 for 60¢; 12 for \$1.10; 50 for \$4.15; 100 for \$8.00; 500 for \$37.50; 1000 for \$70.00.

BURPEE'S
BULBS
BLOOM

The fine bright rosy carmine trusses of Gertrude are most showy in beds

EARLY SINGLE TULIPS

Outdoors: These are the first tulips to come into bloom early in the spring. They may be had in a magnificent assortment of bright colors. Ask for the Burpee leaflet, "Bulbs for Winter and Spring Blooming," which will tell you how to succeed with the bulbs outdoors.

In the House: The early single tulips are grown extensively in pots or pans for indoor blooming. They make the best display if planted not more than six in a shallow pan, and it is advisable to plant only one variety in a pot so that all the flowers will come into bloom at the same time.

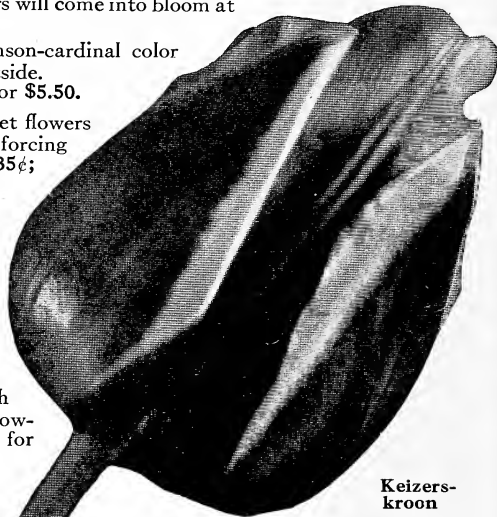

9105 Cardinal Large flowers of velvety crimson-cardinal color with yellow in the center and shaded plum on the outside. 3 for 25¢; 6 for 45¢; 12 for 85¢; 50 for \$3.00; 100 for \$5.50.

9109 Crimson Brilliant Rich glowing scarlet flowers with yellow center; 14 inches high. An excellent forcing variety with large flowers. 3 for 18¢; 6 for 35¢; 12 for 60¢; 50 for \$2.20; 100 for \$4.00.

9111 Diana The large magnificent flowers are a clear waxy white of heavy substance. 3 for 18¢; 6 for 35¢; 12 for 60¢; 50 for \$2.20; 100 for \$4.00.

9114 Fire Prince A bright fiery orange-scarlet with yellow base. The large and showy blooms are sweet-scented. Well-grown plants are 15 inches high. One of the best earlies for forcing. 3 for 22¢; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50.

9115 Flamingo A deep rich rose flower with a distinct white stripe through each petal. The flowers are most artistic; 13 inches high. 3 for 25¢; 6 for 45¢; 12 for 80¢; 50 for \$2.75; 100 for \$5.00.

Keizerskroon

The early single Tulips are easily grown in the house during winter and spring

9116 Golden Queen Beautiful deep golden yellow flowers. A good forcing variety. 3 for 22¢; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50.

9120 Keizerskroon Vivid crimson-scarlet, broadly edged with rich golden yellow. Huge flowers carried upright on long strong stems; 16 inches tall. 3 for 25¢; 6 for 45¢; 12 for 80¢; 50 for \$2.75; 100 for \$5.00.

9122 L'Esperance This magnificent early Tulip has large well-formed flowers of a bright rosy lilac edged white. A strong and sturdy grower. 3 for 30¢; 6 for 55¢; 12 for \$1.00; 50 for \$3.45; 100 for \$6.50.

9131 Rose Luisante A fine satiny rose. Forces quite easily and does well in the open ground. 3 for 40¢; 6 for 65¢; 12 for \$1.20; 50 for \$4.00; 100 for \$7.50.

9133 Thomas Moore Clear terra-cotta overlaid with a delicate rosy sheen, and shaded old gold on the edges. Sweet scented and fine for early forcing; 15 inches high. 3 for 22¢; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50.

9136 White Hawk A pretty white, with globular flowers of a waxy substance and crinkled petals; 13 inches high. A very fine forcing variety. 3 for 25¢; 6 for 45¢; 12 for 80¢; 50 for \$2.75; 100 for \$5.00.

DARWIN TULIPS

Outdoors: These tulips come into bloom after the early single varieties have finished flowering. They are of stronger growth, a few inches taller, and the flowers are larger. They make most showy beds and look well planted in clumps among shrubbery or perennials.

In the House: For forcing indoors the Darwin Tulips are unsurpassed on account of their strong growth and large size flowers. The deep green foliage and the upright stems crowned by the magnificent large flowers make a most wonderful display planted in pans or pots.

COTTAGE TULIPS

The May-flowering or Cottage Tulips resemble in general habit the Darwins. They also bloom about the same time. The varieties we list are of strong upright growth with handsome flowers carried on thick substantial stems. As bedders, to be planted either alone or in clumps placed in the foreground of shrubbery or in the perennial bed, they are unsurpassed. Easily grown in pots for winter blooming.

9206 Fairy Queen Soft rosy lilac margined amber-yellow. The flowers are of large size and very good form. They are carried upright on strong stems; 20 inches high. 3 for 18¢; 6 for 35¢; 12 for 60¢; 50 for \$2.20; 100 for \$4.00.

BREEDER TULIPS

Of all tulips, the Breeders are without question the most striking. They have been the hobby of English fanciers for more than a century. In their tall majestic growth and truly enormous blooms, they surpass even the finest of the Darwins. But it is their rich coloring which places them in a class by themselves—old gold and bronze, terra-cotta and salmon, crushed strawberry and purple, terra-cotta and orange-yellow, coffee-brown and maroon, in the most perfect harmony of rare colors found in nature.

9255 Bronze Queen See illustration. An attractive buff shade, tinged with apricot and golden bronze on the inside. The flowers are remarkably large, carried on long and strong stems. Fine for forcing or bedding. 3 for 25¢; 6 for 45¢; 12 for 80¢; 50 for \$2.75; 100 for \$5.00.

9257 Cardinal Manning Magnificent large flowers of a dull wine-red flushed rosy brown. 3 for 22¢; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50.

9261 Don Pedro A beautiful tint of coffee-brown shaded maroon. The inside of the magnificent flowers is rich mahogany. This is a rare and outstanding color. The flowers are large and of fine form. A strong and vigorous variety that will never fail to attract the attention of passersby. A good forcing variety with a decided fragrance. 3 for 35¢; 6 for 60¢; 12 for \$1.10; 50 for \$3.65; 100 for \$7.00.

9264 Feu Ardent Large cup-shaped blooms of a rich shade of brilliant fiery red. Of immense size and sturdy habit. 3 for 35¢; 6 for 60¢; 12 for \$1.10; 50 for \$3.65; 100 for \$7.00.

9269 Godet Parfait Deep purple-violet with white base. The color is most vivid and the flowers are very large. Grows 30 inches high. It is a fine large flower of good color, keeping in good condition for a long time. 3 for 30¢; 6 for 55¢; 12 for \$1.00; 50 for \$3.45; 100 for \$6.50.

9275 Louis XIV Dark purple edged with golden bronze. The flowers are globular and of very large size. We know of no other Breeder Tulip that can compare with Louis XIV in size of flower, length of stem, and sturdiness of growth. When measuring the height of the plant this spring we found them to be 33 inches tall. They are uniform in size, height and season of blooming. One of the finest Tulips in existence. 35¢ each; 3 for \$1.00; 6 for \$1.90; 12 for \$3.50; 50 for \$13.00; 100 for \$25.00.

9278 Madame Lethierry Dark cherry-rose, edged and flushed salmon. An attractive color. Large flowers carried on long stems; 26 inches high. 3 for 30¢; 6 for 50¢; 12 for 90¢; 50 for \$3.25; 100 for \$6.00.

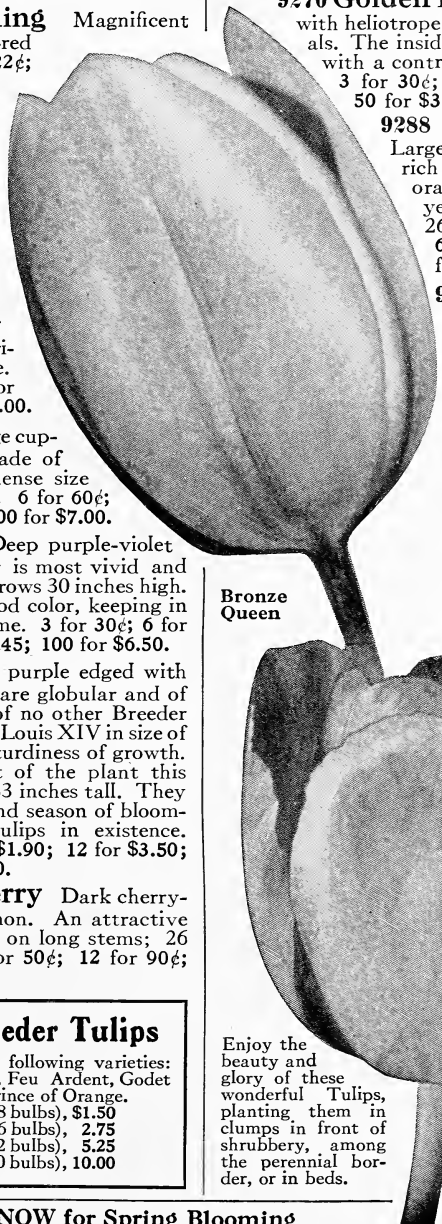

9280 Medea Enormous flowers of crushed strawberry color, shaded with heliotrope and yellow center. Very beautiful and fine for forcing or bedding. 3 for 22¢; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50.

9270 Golden Bronze Old gold flushed with heliotrope on the outside of the petals. The inside is rich mahogany brown with a contrasting deep yellow base. 3 for 30¢; 6 for 50¢; 12 for 90¢; 50 for \$3.25; 100 for \$6.00.

9288 Prince of Orange Large and showy flowers of a rich terra-cotta shade, edged orange-yellow. The base is yellow starred with black; 26 inches high. 3 for 30¢; 6 for 50¢; 12 for 90¢; 50 for \$3.25; 100 for \$6.00.

REMBRANDT TULIPS

Red Prince

Hebe

In general habit of growth these resemble the popular Darwin Tulips, with their magnificent large flowers carried on long heavy stems. They are very distinct by their unusual colors and markings. All have bright stripes and splashes of a rich and dark shade, forming a sharp contrast against a background of white, rose, or lavender. Most attractive when in full bloom, rivaling a rich oriental carpet.

9302 Bougainville This is an excellent forcing variety, with large and heavy flowers on long stems. The ground color is a rich amaranth which is striped with white. 3 for 30¢; 6 for 50¢; 12 for 90¢; 50 for \$3.25; 100 for \$6.00.

9305 Caracalla In this variety we find a sharp contrast of rich fiery scarlet stripes and dashes upon a white ground. 3 for 25¢; 6 for 45¢; 12 for 85¢; 50 for \$3.00; 100 for \$5.50.

9313 Hebe White, attractively relieved by stripes of lilac and maroon. 3 for 30¢; 6 for 50¢; 12 for 90¢; 50 for \$3.25; 100 for \$6.00.

9321 Red Prince The heavy marking of flaming fiery scarlet upon a soft rose ground gives a most beautiful effect. A very good forcing variety. 3 for 30¢; 6 for 50¢; 12 for 90¢; 50 for \$3.25; 100 for \$6.00.

9326 Semele Bright pink stripes upon a white background. 3 for 30¢; 6 for 50¢; 12 for 90¢; 50 for \$3.25; 100 for \$6.00.

9330 Suzanna Enormously large flowers with rich reddish brown markings on a soft lilac, livened up by dashes of white. 3 for 25¢; 6 for 45¢; 12 for 85¢; 50 for \$3.00; 100 for \$5.50.

EARLY DOUBLE TULIPS

The culture of the double varieties is just as easy as that of the singles. Planted in pans, they make attractive winter-bloomers, and last even longer than the single varieties.

Placed in the open border they come into bloom slightly later than the early single Tulips.

9354 Couronne des Roses Large, fully double flowers of rich pure rose. 3 for 25¢; 6 for 45¢; 12 for 80¢; 50 for \$2.75; 100 for \$5.00.

Snowball

9356 Crown of Gold Rich yellow splashed with orange and red. 3 for 25¢; 6 for 45¢; 12 for 80¢; 50 for \$2.75; 100 for \$5.00.

9362 Murrillo White and rose-pink, flushed and streaked. Good for forcing and for outdoors; 11 inches high. 3 for 18¢; 6 for 35¢; 12 for 60¢; 50 for \$2.20; 100 for \$4.00.

9367 Rubra Maxima A large crimson-scarlet flower; 11 inches high. 3 for 22¢; 6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50.

LILIES

Lilies are the symbol of beauty. They are of easiest culture and the varieties listed below are perfectly hardy and will increase in attractiveness and size with each succeeding year. Lilies do best on a well-drained sandy soil. The soil should be fairly rich and the plants should be given plenty of water during periods of drought. In order to grow well, Lily bulbs should be planted deeply.

8602 Bermuda Easter Lily (Harrisii) The Bermuda Easter Lily is the strongest of the longiflorum Lilies which are commonly known as Japanese Easter Lilies. The plants grow 4 feet tall, carrying from 15 to 20 large waxy white flowers of delicious fragrance. They bloom in the open during July and early August. 35¢ each; 3 for \$1.00; 6 for \$1.90; 12 for \$3.50.

8603 Canadian Lily (Canadense) This is also called Meadow Lily or Wild Yellow Lily. The flowers are borne in clusters of 6 to 10 and measure 3 inches across. They are a bright orange-yellow spotted with purplish brown. Blooms from late June until early August. An easily grown and very graceful variety. It is also known as Meadow Lily or Wild Yellow Lily. Grows 2 to 5 feet tall. 30¢ each; 3 for 85¢; 6 for \$1.60; 12 for \$3.00.

8604 Candlestick Lily (Dauricum) This beautiful variety grows 2 to 3 feet tall and bears clusters of three to five flowers which measure 3 to 5 inches in diameter. They are a rich orange-red, slightly spotted with purplish black and tinged with yellow in the center. The anthers are bright red. Blooms during June and early July. It is a free blooming and easily grown variety. 25¢ each; 3 for 65¢; 6 for \$1.15; 12 for \$2.20.

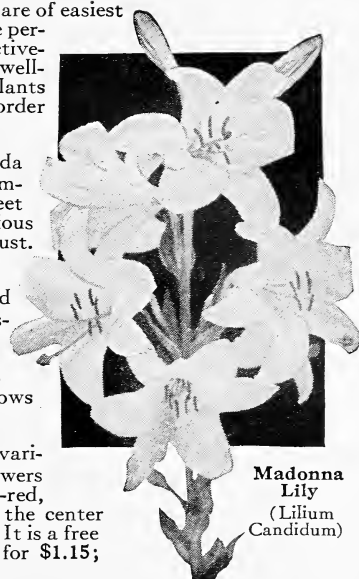

8619 Golden Banded Lily of Japan (Auratum) The flowers are borne in clusters of 2 to 15 and each bloom measures 6 to 10 inches in diameter. They are silvery white spotted with crimson, and have a golden yellow band or midrib. 35¢ each; 3 for \$1.00; 6 for \$1.90; 12 for \$3.50.

8625 Madonna Lily (Candidum) A well-known variety, 2 to 4 feet tall, bearing large clusters composed of five to twenty flowers on top of the strong stem. The flowers are 3 to 4 inches long and fully as wide. They are delicately fragrant, of a pure waxy white, with yellow anthers. Blooms during late June and July. 30¢ each; 3 for 85¢; 6 for \$1.60; 12 for \$3.00.

8641 Coral Lily (Tenuifolium) This is also called Fern-Leaved or Tiny Lily. The slender stems grow 1 to 2 feet high and carry from one to fifteen flowers, measuring 1½ to 2 inches in diameter. They are a brilliant scarlet, sometimes slightly dotted with purple and lighter at the base. It blooms during June and July. 25¢ each; 3 for 65¢; 6 for \$1.15; 12 for \$2.20.

8653 Yellow Japanese Lily (Hansonii) A beautiful variety attaining a height of 3 to 5 feet, carrying six to ten flowers which measure 2 to 2½ inches in diameter. The flowers are delicately fragrant, of a bright golden yellow color, spotted with purplish brown; blooms during June and July. 60¢ each; 3 for \$1.50; 6 for \$2.85; 12 for \$5.50.

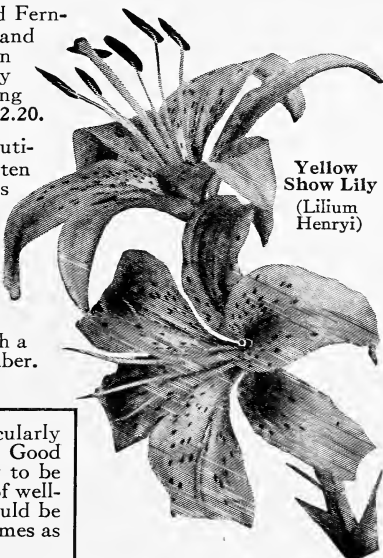

8654 Yellow Show Lily (Henryi) The stately plants grow 4 to 8 feet tall and carry up to twenty large flowers, measuring 3 to 4 inches in diameter. The blooms are bright orange-yellow, slightly spotted reddish brown, with a green band at the base. Blooms during August and September. 65¢ each; 3 for \$1.65; 6 for \$3.15; 12 for \$6.00.

(*Lilium
Candidum*)

8634 Show Lily (Speciosum rubrum) An attractive variety, 2 to 4 feet tall, bearing delicately scented and large blooms in clusters. The flowers are 4 to 6 inches in diameter; white suffused rose-pink in the center and spotted blood-red with a green stripe at the base. 30¢ each; 3 for 85¢; 6 for \$1.60; 12 for \$3.00.

8638 Swamp Lily (Superbum) This gorgeous Lily grows from 3 to 8 feet high and carries as many as 40 flowers which measure 3 to 4 inches in diameter. The flowers are a brilliant orange-scarlet, shaded yellow and spotted purplish brown at the base. Blooms during late July to early September. 25¢ each; 3 for 65¢; 6 for \$1.15; 12 for \$2.20.

Yellow
Show Lily
(*Lilium
Henryi*)

Lilies succeed best in any light sandy or loamy soil, particularly the kind which contains a good amount of leaf-mold. Good drainage is necessary and the presence of lime is carefully to be avoided. Make the soil fairly rich with a liberal quantity of well-decayed cow-manure before planting the bulbs. Lilies should be planted deeply so that they are covered with about 4 to 5 times as much soil as the bulbs are high.

BEARDED IRIS

The Bearded or Flag Iris comprise the various classes of Iris Germanica and other species, all being of tall, strong growth and doing well in a fairly dry, well-drained location. They are of easiest culture, blooming freely in any average soil. They are perfectly hardy and present a beautiful sight when in full bloom. The flowers are borne on long, strong stems above the foliage. They make good cut-flowers, lasting a long time in water.

8501 Beethoven A fine combination of a blue standard and deep royal purple falls. The plants are strong and vigorous, growing 2 feet tall. A free bloomer with magnificent flowers. 15¢ each; 3 for 40¢; 6 for 65¢; 12 for \$1.20; 50 for \$4.00; 100 for \$7.50.

8502 Celeste The large flowers are a rich satiny blue, standing out well from the deep green foliage. One of the best late varieties, growing 30 inches tall. 15¢ each; 3 for 40¢; 6 for 65¢; 12 for \$1.20; 50 for \$4.00; 100 for \$7.50.

8506 Darius A most popular variety with canary yellow standards and falls of pansy-purple with a broad border of gold. The strong sturdy plants are very free bloomers. 20¢ each; 3 for 55¢; 6 for \$1.00; 12 for \$1.80; 50 for \$6.30; 100 for \$12.00.

8509 Flavescens A quaint combination of a soft yellow throat veined chocolate. This is a midseason variety, blooming very freely during May and June. It is sweet-scented and grows 2½ feet high. An excellent variety for massing and cutting. The flowers are borne abundantly and continuously. 15¢ each; 3 for 40¢; 6 for 65¢; 12 for \$1.20; 50 for \$4.00; 100 for \$7.50.

8511 Florentina Alba Large, perfectly white flowers produced in the greatest profusion from early in the season until late. The flowers have a delightful fragrance. The plants grow 2 feet tall. We recommend planting this alongside of some blue variety. 15¢ each; 3 for 40¢; 6 for 65¢; 12 for \$1.20; 50 for \$4.00; 100 for \$7.50.

8515 Kochii The buds of this variety are almost black, opening to a dark claret-purple. An early and continuous blooming variety, growing 2 feet in height. The spikes make excellent cut-flowers. 20¢ each; 3 for 55¢; 6 for \$1.00; 12 for \$1.80; 50 for \$6.30; 100 for \$12.00.

8516 La Tendresse The flowers are of a uniform Ageratum-blue; of large size and very pretty. LA TENDRESSE looks particularly attractive when planted in masses combined with yellow shades. 15¢ each; 3 for 40¢; 6 for 65¢; 12 for \$1.20; 50 for \$4.00; 100 for \$7.50.

8514 Loreley A larger flowered variety with broad deep ultramarine-blue falls, which are more or less veined with creamy white and bordered sulphur-yellow. 30¢ each; 3 for 85¢; 6 for \$1.60; 12 for \$3.00; 50 for \$11.20; 100 for \$22.00.

8517 Madame Chereau The flowers are white and have a broad edge of penciled blue. A great favorite with many gardeners. A very strong grower, 30 inches tall. 15¢ each; 3 for 40¢; 6 for 65¢; 12 for \$1.20; 50 for \$4.00; 100 for \$7.50.

8519 Mithras The large flowers have pale yellow standards, contrasting sharply with the violet falls, which are shaded with claret and have a yellow border. 30¢ each; 3 for 85¢; 6 for \$1.60; 12 for \$3.00; 50 for \$11.20; 100 for \$22.00.

PEONIES

What looks prettier than a well-grown Peony plant covered with a mass of gigantic flowers? The Peony comes into bloom at that time of the year which makes it an extremely desirable flower for use in connection with our national holiday, Memorial Day. With ordinary care the plants will bear their massive, fully double flowers in great profusion from year to year. Plant the roots during August, September, or early October in a bed well prepared and enriched with plenty of well-rotted manure. Cover the crowns with not more than 2 inches of good soil. The flowers, when cut, will last a long time in water. Most varieties as soon as they begin to open up are exquisitely scented and those offered below are the best in their color class. Write for a free copy of the Burpee leaflet on "Peonies."

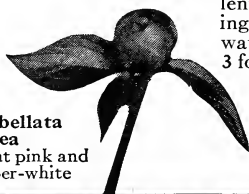

8701 Crown of Gold This is the famous "Couronne d'Or" Peony. Immense, well-shaped white flowers with a crown of yellow stamens. One of the finest of all late-flowering Peonies. Blooms freely and is a splendid grower. 60¢ each; 3 for \$1.50; 6 for \$2.85; 12 for \$5.50.

8705 Duchesse De Nemours Pure white crown with sulphur-white collar. Very fragrant, and a strong, vigorous grower of medium height. Blooms during midseason and makes a strong upright growth. 50¢ each; 3 for \$1.30; 6 for \$2.45; 12 for \$4.50.

8706 Edulis Superba Large loose flowers of an attractive deep rose-pink. Very fragrant. An early, strong, and vigorous grower. One of the foremost pink varieties for Decoration Day. It blooms very profusely. 45¢ each; 3 for \$1.10; 6 for \$2.15; 12 for \$4.00.

8709 Felix Crousse Large globular flowers of a dazzling ruby-red. Of strong habit; medium height. It blooms freely and is the best red Peony. FELIX CROUSSE has proven to do well almost everywhere. It is an excellent cut-flower, lasting a long time in water. 60¢ each; 3 for \$1.50; 6 for \$2.85; 12 for \$5.50.

HARDY PHLOX

Albion

The Hardy Phlox belongs to our prettiest and most showy perennials. It is easily grown and thrives well even under adverse conditions of weather and soil. The plants are perfectly hardy and after once being established will become more showy with every year. The plants will spread with each season and make solid clumps which during flowering time are literally covered with the handsome flower-heads. Hardy Phlox may be used to good advantage in front of shrubbery or among the perennials. The plants are a mass of blooms all during the spring and early summer.

8742 Albion This free-flowering variety bears large clusters of white flowers which have a faint red eye in the center. It is a strong grower and very profuse bloomer. Perfectly hardy and easily grown in any soil. 20¢ each; 3 for 55¢; 6 for \$1.00; 12 for \$1.80; 50 for \$6.30.

8747 Bacchante Not only are the flower-heads of enormous size, but the individual flowers composing these grand clusters are also of remarkably large size. The color is tyrian-rose with a crimson-carmine eye. 25¢ each; 3 for 65¢; 6 for \$1.15; 12 for \$2.20; 50 for \$8.00.

8752 Champs Elysees The strong vigorous plants form enormous flower-heads composed of rosy magenta blooms. This is a very popular and effective variety, blooming most profusely. 20¢ each; 3 for 55¢; 6 for \$1.00; 12 for \$1.80; 50 for \$6.30.

8772 L'Esperance This is a most attractive shade which should be planted in large masses. The flowers are light lavender with a white center. A strong grower and profuse bloomer. 20¢ each; 3 for 55¢; 6 for \$1.00; 12 for \$1.80; 50 for \$6.30.

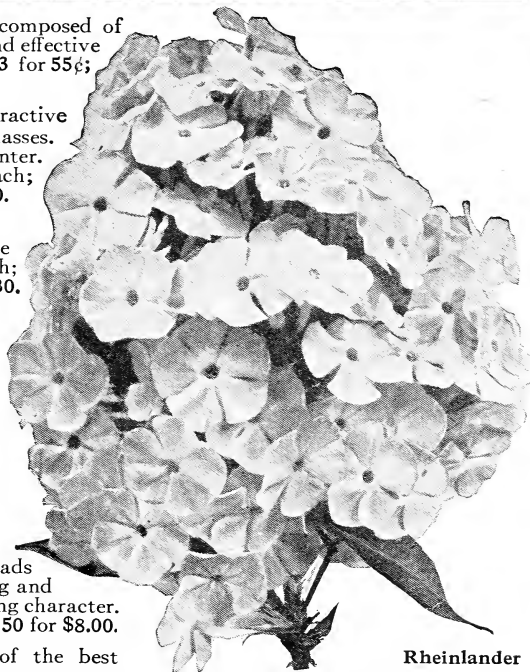

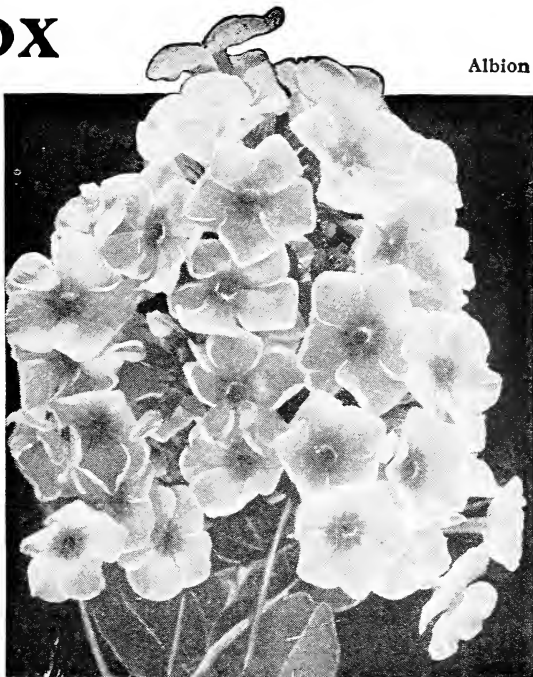

8774 Mrs. William Jenkins Large flower-heads composed of large pure snow white blooms. The plants grow 3 feet tall. 20¢ each; 3 for 55¢; 6 for \$1.00; 12 for \$1.80; 50 for \$6.30.

8776 Rheinlander In this variety the large flowers are a beautiful salmon-pink. The individual blooms combine into tremendous trusses which completely cover the strong, stately plants. RHEINLANDER has quickly become one of the most popular varieties, no doubt due to its appealing salmon-pink color which stands out boldly from the rich green foliage. We recommend planting this in masses. 25¢ each; 3 for 65¢; 6 for \$1.15; 12 for \$2.20; 50 for \$8.00.

8778 Rynstrom The plants grow 3 feet high and carry beautiful large flower-heads of a carmine-rose color. RYNSTROM is a strong and vigorous variety of exceptionally free blooming character. 25¢ each; 3 for 65¢; 6 for \$1.15; 12 for \$2.20; 50 for \$8.00.

8777 R. P. Struthers This is one of the best among the richly colored varieties, with bright rosy carmine blooms having a claret-red eye. Its habit is strong and sturdy so that the large flower-clusters stand upright and well above the rich green foliage. 25¢ each; 3 for 65¢; 6 for \$1.15; 12 for \$2.20; 50 for \$8.00.

8792 Widar Light reddish violet with a large white center. A showy variety with large trusses. 20¢ each; 3 for 55¢; 6 for \$1.00; 12 for \$1.80; 50 for \$6.30.

GRAPE HYACINTHS

Grape Hyacinths

9485 Blue This pretty little spring-flowering bulb is admirably adapted for planting among shrubbery or in borders. The Grape Hyacinth is hardy and grows freely under almost any conditions. The bells of this variety are a beautiful bright blue. 6 for 20¢; 12 for 38¢; 50 for \$1.35; 100 for \$2.50.

9486 White This is a white-flowered variety of the popular Grape Hyacinth. It is used in the same way as the blue variety and grows just as easily. The small-flowered spikes are from 2 to 3 inches in length and they have a decided fragrance. 6 for 25¢; 12 for 45¢; 50 for \$1.65; 100 for \$3.00.

CHIONODOXA

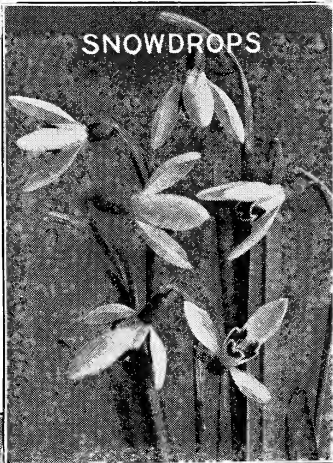

Chionodoxa

9480 Lucilæ This is an easily grown spring-flowering bulb with beautiful little spikes carrying as many as 12 flowers. In color the blooms range from pure white to deep blue, with some reddish and pink tints. Plant the bulbs about 3 inches deep and not more than 1 inch apart. The plants are perfectly hardy. 3 for 12¢; 6 for 25¢; 12 for 45¢; 50 for \$1.65; 100 for \$3.00.

9496 Snowdrops

This is the earliest of all spring-flowering bulbs. In a warm sunny border the flowers will come through the ground as early as February, long before all of the snow is gone. The bulbs do best planted in masses in a moist, cool and shady place, and they will increase rapidly with every year; but they do well in almost any kind of soil and can stand harder treatment than most other bulbs.

Plant the bulbs as early in the autumn as they can be had, and leave them undisturbed. They will come up every spring and will respond generously to any care given them. 3 for 18¢; 6 for 30¢; 12 for 50¢; 50 for \$1.80; 100 for \$3.25; 500 for \$15.00.

SNOWDROPS

Freesias

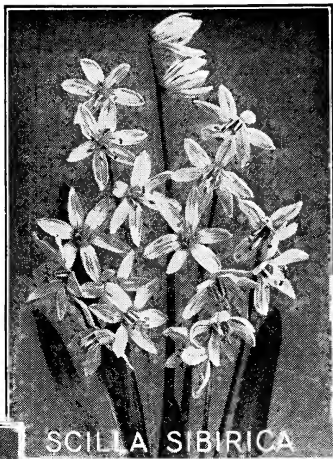

Freesias are superb. They are highly valued as cut-flowers during winter and are easily grown in pots or pans any time during the winter and early spring. The flowers are borne in clusters on thin, wiry stems. They are deliciously scented and last a long time.

9550 Purity Glistening pure white flowers which are carried in long racemes of 5 to 8 large tubular florets. PURITY is a very profuse and free bloomer that can be easily forced in any dwelling. The bulbs are tender and cannot be planted outdoors. 6 for 30¢; 12 for 55¢; 50 for \$1.95; 100 for \$3.50; 500 for \$15.00.

9557 Rainbow Hybrids

These hybrids are particularly prized on account of their beautiful and artistic shades, ranging through yellow, lavender, pink and purple, all very delicate and beautiful. The fine large flowers are carried on long but thin, wiry stems. They have a charming fragrance.

6 for 40¢; 12 for 70¢; 50 for \$2.40; 100 for \$4.50; 500 for \$20.00.

SCILLA SIBIRICA

Scilla

9490 Sibirica Scillas play an important part for planting in borders and for use as cut-flowers. The flowers are not unlike small hyacinths. They come into bloom very early in the spring and the bright blue flowers make a most showy display for quite some time. They look best if planted quite thickly in clumps or borders and they thrive in any good garden soil.

SIBIRICA is the most popular variety on account of its intensely rich blue flowers which appear about the same time as the Crocus and Snowdrops. 3 for 18¢; 6 for 30¢; 12 for 55¢; 50 for \$1.95; 100 for \$3.50.

IXIA

Ixia

9488 Mixed This tender spring-flowering bulb comes in pink, rose, crimson, orange, yellow, white, and other colors. Ixias make excellent pot-plants for the house, if planted closely together in pots. They are tender and cannot be planted outdoors, but will bloom in the house from Christmas until late spring. 6 for 20¢; 12 for 33¢; 50 for \$1.35; 100 for \$2.50.

Burpee's Lawn Grass

FOR SUMMER and FALL SOWING

The rich green, velvety Fordhook Lawn in front of the Fordhook Farm House

6145 Burpee's Fordhook Finest

We believe that our Fordhook Finest Lawn Grass is unequalled in every respect. Careful experiments have proven that best results with the lawn depend upon the use of the proper mixture of the right kind of grasses.

Fordhook Finest contains a well-balanced blend of various American and foreign fine-bladed and deep-rooting varieties which have given best results under the varied conditions of soils and climate met with in America. Fordhook Finest will make a green, smooth, velvety sod with a thick bottom. It is free from common grasses which produce clumps and knots in the lawn, greatly spoiling the desired smooth, deep effect.

Fordhook Finest Lawn Grass contains no chaff and weighs 25 to 27 pounds per measured bushel. A small quantity of white clover is included in Fordhook Finest Lawn Grass, but only sufficient to help thicken the bottom of the soil.

One pound of seed is sufficient to sow a plot 20 x 20 (or 400) square feet. Eighty pounds per acre are sufficient for careful seeding; but it is better to use 100 pounds per acre where it is desired to have a good close turf from the start.

When ordering your seed ask for a free copy of the Burpee leaflet, "How to Establish a Lawn." Lb. 60¢; 3 lbs. \$1.65; 5 lbs. \$2.65, postpaid. By express or freight, at purchaser's expense: 10 lbs. or more, at 42¢ per lb.; 100 lbs. at 38¢ per lb. (25 lbs. or more will be supplied at the 100 lb. rate.)

6147 Golf Links

This mixture is composed exclusively of fine-bladed grasses which will withstand frequent close cutting and trampling. It is free from weed-seed and contains no white clover, the latter not being suitable for the closely cut golf lawn.

It is very important that only grasses which fulfil all requirements for the golf course are used in this mixture, and we have made a special study of this subject to make Burpee's Golf Link Mixture the standard. Sow 100 lbs. per acre. Lb. 75¢; 3 lbs. \$2.00; 5 lbs. \$3.15, postpaid. By express, 10 lbs. or more, at 51¢ per lb.

6149 Shady Nook

Many of our customers having fine shade trees on their lawns or shaded corners receiving but little sunlight have written us regarding the difficulty of securing a good growth of grass under the trees or in other heavily shaded locations. At their request we have made this mixture, which is composed entirely of choice, clean seed of the finest and most costly grasses, which have been found to thrive well in partly shaded locations, forming a close, thin-bladed turf. It is all clean, heavy seed, free from chaff, and will give the best results with a minimum quantity of seed. Sow 100 lbs. per acre. Lb. 70¢; 3 lbs. \$1.95; 5 lbs. \$3.00, postpaid. By express, 10 lbs. or more, at 49¢ per lb.

6144 Terrace Sod

The terrace is oftentimes a source of a great deal of worry and trouble. This is largely due to the fact that the right grasses are not used in the making of the terrace sod. We have prepared a Special Mixture containing only those grasses that are best adapted to embankments and terraces. These grasses are all deep-rooted or have strong, spreading roots that hold the soil firmly and prevent washing away during heavy rains.

Burpee's SPECIAL TERRACE MIXTURE will produce a rich, green, velvety sod and will retain its emerald-green appearance throughout the entire season. Sow 80 to 100 lbs. per acre. Lb. 75¢; 3 lbs. \$2.00; 5 lbs. \$3.15, postpaid. By express or freight, 10 lbs. or more, at 50¢ per lb.

6146 Sunny South Lawn

In the South and in other dry locations the use of ordinary lawn grass seed does not always produce satisfactory lawns. We have prepared a special mixture that is particularly suited for these hot, dry sections, and with care and attention and regular watering, SUNNY SOUTH MIXTURE will produce satisfactory lawns under the most exacting conditions of weather and soil. Lb. 60¢; 3 lbs. \$1.50; 5 lbs. \$2.45, postpaid. By express or freight, 10 lbs. or more, at 36¢ per lb.

Fancy

2513 Burpee Blend of Giant Fancy Pansies

For the lover of fine Pansies, this blend cannot be surpassed. It contains the largest and most beautiful of all blotched Pansies that have been developed after many years of careful selection. The Burpee Blend contains only well-formed, expanded flowers of uniform large size with an unusual range of colors and markings.

The blooms are well waved and wrinkled. The seed of Burpee's Blend is necessarily expensive but it is well worth all it costs. Pkt. 25¢; 1/8 oz. \$1.50; 1/4 oz. \$2.75.

2500 MASTODON PANSIES Immense flowers of heavy texture with well-waved petals. The range of colors includes every shade found in Pansies. Pkt. 25¢; 5 pkts. \$1.00; 1/8 oz. \$1.50; 1/4 oz. \$2.75; oz. \$8.50.

2463 GIANT RUFFLED MASTERPIECE The truly giant-sized flowers are of the most striking character; the petals have so much substance that they are heavily ruffled. The colors are mainly rich dark shades, bordered, blotched, or marked in ray-like veinings with contrasting colors. Pkt. 15¢; 2 pkts. 25¢.

2420 EXTRA FINE BEDDING PANSIES, MIXED These are valuable for making beds where the size of the individual flower does not count so much. Our mixture contains a large variety of colors. Pkt. 10¢; 1/8 oz. 45¢; 1/4 oz. 75¢; oz. \$2.50.

7535 Pansy Collection

BURPEE'S SWEET PEAS

EARLY or WINTER FLOWERING VARIETIES

Burpee's Early or Winter Flowering Spencer Sweet Peas are invaluable for greenhouse culture. They are adapted for outdoor planting in warmer climates, such as our own southern states, Australia, and South Africa, where the Summer Flowering Spencers cannot be grown successfully. In cooler climates they are of value because they bloom a week or ten days sooner than the Summer Flowering varieties. Write for a free copy of the Burpee leaflet, "How to Grow Sweet Peas," which gives complete cultural directions for spring and fall planting and for growing in the house.

White 3391 **Burpee's White Star** A wonderful black-seeded white Sweet Pea of immense size. It lacks any suspicion of pink or other coloring. Pkt. 15¢; ½ oz. \$1.05; oz. \$2.00; 4 ozs. \$6.00; lb. \$20.00.

3392 SNOWSTORM IMPROVED This is by far the finest of all white winter-flowering varieties. The flowers are extra-large, of fine form, with a magnificent and boldly waved standard. A vigorous grower, with enormous flowers which are invariably borne in fours on very long stems. Introduced by Burpee in 1919. Pkt. 15¢; ½ oz. 45¢; oz. 85¢; 4 ozs. \$2.55; lb. \$8.50.

3390 EARLY SANKEY This fine black-seeded white was awarded a special Silver Medal when exhibited at the Great International Show in New York, March 20, 1915; also Certificate of Merit at the Spring Show of the Pennsylvania Horticultural Society, Philadelphia, March, 1915. Pkt. 10¢; oz. 65¢; 4 ozs. \$2.00; lb. \$6.50.

Cream 3375a **Lemon Beauty** As the name indicates, this variety is a soft primrose or pale lemon color, the standard and wings being softly tinted amber, and sometimes lightly veined with rose-pink. Pkt. 15¢; ½ oz. 55¢; oz. \$1.00; 4 ozs. \$3.00; lb. \$10.00.

3342 Canary Bird This is a splendid rich deep cream or primrose-colored self. The flowers are of great size, beautifully waved, borne three or four on a stem. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.65; lb. \$5.50.

Deep Pink 3351 **ENCHANTRESS** A bright rose-pink, becoming deeper toward the edges of standard and wings, gradually softening in tone toward the center of the flower. A strong grower and very free bloomer. Pkt. 10¢; oz. 65¢; 4 ozs. \$2.00; lb. \$6.50.

3383 Pink Beauty The color is a soft rose-pink on white ground, richer toward the edges, gradually softening in color as it reaches the center of standard and wings. Pkt. 10¢; oz. 60¢; 4 ozs. \$1.80; lb. \$6.00.

3389 ROSE QUEEN A most pleasing shade of rich pink with a suffusion of rose. Blooms profusely and early. The flowers are large, well waved, and are borne on long strong stems. Burpee's re-selected stock. Pkt. 10¢; ½ oz. 40¢; oz. 70¢; 4 ozs. \$2.10; lb. \$7.00.

3343 CHEERFUL Rich begonia-pink, entirely new shade among the Early or Winter Flowering Sweet Peas. It makes a most imposing bunch. Pkt. 20¢; ½ oz. \$2.55; oz. \$5.00; 4 ozs. \$15.00; lb. \$50.00.

3337 ZVOLANEK'S ROSE Many growers consider this variety one of the best in the deep pink class. Pkt. 15¢; ½ oz. 45¢; oz. 85¢; 4 ozs. \$2.55; lb. \$8.50.

Cream-Pink 3348 **DAYBREAK** A pleasing shade of rich rose-pink on cream ground, the color becoming deeper toward the edge of standard and wings. The entire flower is lightly suffused with salmon. The plants make a sturdy and strong growth and bear a wonderful crop of fine long-stemmed blooms. Pkt. 10¢; oz. 65¢; 4 ozs. \$2.00; lb. \$6.50.

3394 Sunburst Improved A vigorous-growing rich salmon-pink with large well-waved flowers borne on long stems. A variety of unusual beauty. Pkt. 15¢; ½ oz. 55¢; oz. \$1.00; 4 ozs. \$3.00; lb. \$10.00.

3386 RISING SUN A bright rose-pink on cream. Grows 4 to 5 feet tall. Pkt. 10¢; oz. 60¢; 4 ozs. \$1.80; lb. \$6.00.

Light Pink 3382 **Peach Blossom** A pale amaranth-pink which deepens somewhat around the edges of the standard and wings. A true self, standard and wings being of the same shade. A vigorous grower and free-flowering, with stems of great length. It is a great flower of a fine shade. Pkt. 15¢; ½ oz. 55¢; oz. \$1.00; 4 ozs. \$3.00; lb. \$10.00.

3376 Loveliness The entire flower is suffused soft pink until it reaches the edges, which are distinctly picotéed with rose-pink. A very free-flowering and strong-growing variety with many four-flowered sprays. Pkt. 10¢; ½ oz. 40¢; oz. 70¢; 4 ozs. \$2.10; lb. \$7.00.

3395 SWEET BRIAR Color a lovely shade of pink throughout, with a soft salmon or amber suffusion, this being more accentuated in the younger flowers and buds. Grown under glass, this variety attains a height of only 5 to 6 feet. Pkt. 10¢; ½ oz. 40¢; oz. 70¢; 4 ozs. \$2.10; lb. \$7.00.

Rose 3387 **Rosebud** The flowers are of immense size and freely produced in threes and fours. Color bright shining rose with a suspicion of bronzy suffusion throughout the standard. Pkt. 10¢; oz. 60¢; 4 ozs. \$1.80; lb. \$6.00.

3362 Fordhook Rose, Improved A charming shade of rosy carmine. The flowers are of largest size and usually borne in threes and fours on long stiff stems. The plants grow vigorously and bloom profusely. It is a favorite variety with many Sweet Pea lovers. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.65; lb. \$5.50.

3393 SPLENDOR A magnificent deep rose self. The rich rose-crimson color is accentuated by the distinct white blotch at the base of standard and wings. Pkt. 10¢; oz. 60¢; 4 ozs. \$1.80; lb. \$6.00.

Salmon 3369 **MRS. KERR** (Burpee's) The flowers of this variety are a pleasing shade of rich salmon overlaid with a soft tinge of orange. Because of its novel coloring and wonderful form MRS. KERR has quickly become one of the best known Sweet Peas. Pkt. 15¢; ½ oz. \$1.05; oz. \$2.00; 4 ozs. \$6.00; lb. \$20.00.

3334 APRICOT Glowing deep salmon self, suffused with orange. Although the flowers are not of largest size, this is more than compensated for in the coloring. Pkt. 10¢; ½ oz. 45¢; oz. 85¢; 4 ozs. \$2.55; lb. \$8.50.

Orange-Scarlet 3366 **GLITTERS** No variety we know of approaches GLITTERS in richness, brightness, and live-fire effect. It glitters and scintillates, with a fire-like sheen radiating over the flowers. The standard is a bright fiery orange, and the wings are most beautifully shaded with deep orange. Pkt. 15¢; ½ oz. 55¢; oz. \$1.00; 4 ozs. \$3.00; lb. \$10.00.

BURPEE'S FLOWER SEEDS

Many of our customers delight in raising flowers in the house during winter time and for early spring blooming. Any bright window in a fairly warm room is suitable and quite often the kitchen window can be used to start the plants. A few of the annuals can also be sown outdoors any time during July and will still give a good display of blooms in the garden during the fall months. Ask for a free copy of the Burpee leaflet, "How to Grow Flowers in the House."

Ageratum This fine annual grows very quickly and it is easily raised in pots for winter blooming. The plants make a compact growth and are well suited for borders and beds, with stems long enough for cutting.

Schizanthus 2694 WISETONENSIS Few flowers are as easily grown in the greenhouse during the winter time and make such a wonderful display as the Schizanthus. With good culture they will develop into compact bushes over three feet high which are completely covered with small flowers. To raise show plants a good garden loam containing plenty of well-rotted manure should be used. The blooms range in color from pure white through shades of cream and pink to crimson and mauve. It is a most attractive show-flower during winter time. Pkt. 10¢; 3 pkts. for 25¢.

Burpee's Seeds Grow

Schizanthus Wisetonensis

Perennial Flower Seeds

The permanency of the perennial garden is only one of its desirable features. Excepting the Dutch bulbs, we find the earliest blooming flowers among the perennials. They require but little attention and respond generously to increased care and thorough cultivation. After once being established, they will not only last many years but will also increase in beauty with every season. In order to have plants large enough to bloom next spring, the seeds should be sown NOW. Any time during July or August will be all right. Ask for a free copy of the Burpee leaflet, "Perennials from Seed," which gives detailed instructions on how to plant and care for the perennial bed.

Aquilegia caerulea

Aquilegia

(*Columbine*) 3714
CÆRULEA (The Rocky Mountain Columbine)

This most showy perennial blooms freely during May and June and is valuable as a cut-flower. The long-spurred blooms are blue and white.

Pkt. 15¢; ¼ oz. 60¢.

3716 LONG-SPURRED HYBRIDS This variety has flowers of extra-large size, ranging from pure white and yellow to deep blue, through all intermediate shades, with combinations of white and yellow, white and blue, etc. Blooms during June. Pkt. 15¢; ¼ oz. 80¢; oz. \$2.40.

Arabis 3720 ALPINA This is one of the earliest perennials to come into bloom, making large tufts of rich green foliage covered with pure white flowers. Of dwarf spreading growth and excellent for beds, borders, or rockeries. Pkt. 10¢; ¼ oz. 30¢.

Boston Ivy 3708 (*Ampelopsis Veitchii*) This is the favorite hardy climber, the foliage of which turns to a beautiful deep red during the fall. It is fine for walls, on which it will climb without support. Pkt. 10¢; ½ oz. 35¢.

Campanula

(*Bellflowers*) Easily grown in any garden and gives a fine effect in borders or beds. The flowers last quite some time in water and make very attractive bouquets.

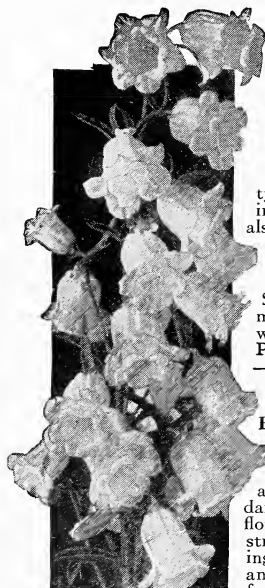

3733 SINGLE MIXED The flowers are large and of a typical bell shape. They come in pink, rose, blue, purple, and also pure white. Blooms during June. Pkt. 10¢; ¼ oz. 35¢.

Foxglove

Hollyhocks

3706 Gold Dust (*Alyssum saxatile*) A dwarf-growing, spreading plant with myriads of small golden yellow flowers borne on small spikes. Early in the spring the whole bed is a beautiful display of rich golden yellow. Fine for borders or rockwork. Pkt. 10¢; ¼ oz. 35¢.

Hibiscus 3812 **GIANT MALLOW MARVELS** Few perennials make such a fine show as the Hibiscus. The plants grow quickly to a height of 4 to 6 feet, bearing on their graceful spikes gigantic flowers, ranging from pure white to rich crimson through all intermediate shades of pink and rose. They bloom profusely from June until late in the fall and are very effective for the background or among dwarf-growing shrubs.

Pkt. 10¢; ¼ oz. 60¢.

Lathyrus (Perennial Peas) These perennial peas, although lacking fragrance, are very valuable because they will last almost indefinitely. The vines grow vigorously, often from 8 to 10 feet long, and bear a mass of flowers throughout the summer.

3837 GIANT WHITE PEARL This bears large clusters of beautiful pearly white flowers. The foliage is rich green and forms a sharp contrast to the blooms. It grows vigorously and blooms profusely way into the fall. Pkt. 15¢; ¼ oz. 50¢; oz. \$1.75.

3833 PINK BEAUTY This is a fine counterpart to Giant White Pearl, with its large clusters of rich rose-pink flowers. It makes a tremendous

3845 BLUE A rich bright blue. Pkt. 10¢; ½ oz. 35¢; oz. 60¢.

Oriental Poppy 3851

(*Papaver Orientale*) These most showy deep red flowers are borne during June and July. They are carried above the foliage and bring life and gayety to the perennial border. The plants grow 3 feet high. Pkt. 10¢; ½ oz. 45¢; oz. \$1.50.

Lupine

Pentstemon 3854 **GIANT FLORADALE** Produces extra-large flower-spikes in many beautiful shades. The flowers average 1½ inches in diameter and the spikes grow about 18 inches long. Height, 3 feet. Pkt. 20¢; ½ oz. 50¢.

Perennial Baby's Breath 3807 (*Gypsophila paniculata*)

The tiny white flowers are borne in myriads on such slender stems that they appear as clouds floating in the air. The plants grow 3 to 4 feet high and bloom profusely from July on. Pkt. 10¢; ¼ oz. 35¢; oz. 90¢.

Perennial Candy-tuft 3829 (*Iberis sempervirens*)

An excellent perennial for beds, borders, or for cutting. The pure white flowers are borne profusely in early spring. They are produced in such quantity as to almost cover the rich green foliage. Pkt. 15¢; ½ oz. 45¢; ¼ oz. 80¢.

Perennial Flax

3841 (*Linum perenne sibiricum*) Blooms continuously from July until frost. Rich dark blue flowers throughout the season. 15¢; ½ oz. 45¢; ¼ oz. 80¢.

Pentstemon—Giant Floradale

The plants grow 15 inches tall. Pkt. 10¢; ¼ oz. 35¢; oz. \$1.00.

Pyrethrum 3870 **ROSEUM** (*Insect Powder Plant*) The daisy-like flowers come in white and shades of pink and rose. Blooms during summer and fall; 2 feet high. Perfectly hardy and excellent for the border. As a cut-flower, it will last a long time in water. Pkt. 15¢; ½ oz. 50¢.

Snow-in-Summer 3767 (*Cerastium tomentosum*) A charming creeping plant with thousands of small white flowers. Useful for rockwork or for edging. Blooms profusely all during May. Pkt. 15¢; ¼ oz. 60¢; oz. \$1.80.

Veronica 3893a **SPICATA MIXED** (*Speedwell*) Bright blue, pink, and white flower-spikes borne continuously from June until late in August; 18 inches tall. Pkt. 15¢; ½ oz. 45¢; ¼ oz. 80¢.

Sweet William

These are ex-

cellent for border plants and should be included in every garden. They are grown from seed sown right in the open about the middle of April, but they can be sown as late as the end of June. The fine strong bushes grow 15 inches tall and are a mass of flowers the following year from July on.

3886 PINK BEAUTY Beautiful salmon-pink flowers. Pkt. 15¢; ¼ oz. 75¢; oz. \$2.25.

Vegetable Seeds for Fall Planting

The wide-awake gardener realizes the profit fall plantings yield him. Instead of leaving the ground idle after the early vegetables are harvested, it should be used for a succession sowing to produce fresh vegetables for fall use or for winter storing. A cellar full of stored vegetables is a good investment, and the green vegetables usually grow so much better during cool fall weather. Ask for the Burpee leaflet, "How To Grow and Store Vegetables for Winter Use." We also have a free Leaflet on "Chinese Cabbage," giving culture and cooking recipes.

Bush Bean,
Burpee's
Stringless
Green-Pod

BUSH BEANS

These can be grown to perfection, sowing any time between July 1 and 30 in the vicinity of Philadelphia. They will then yield a good crop of excellent quality during the cool fall months.

10 BURPEE'S STRINGLESS GREEN-POD

The best green-podded bush bean in existence. A strong grower and heavy yielder, with slightly curved pods of rich dark green color and unexcelled quality.

Positively stringless. Pkt. 10¢; ½ lb. 25¢; lb. 45¢; 2 lbs. 85¢; 5 lbs. \$2.00, postpaid. By express or freight, 10 lbs. or more, at 28¢ per lb.

22 BURPEE'S FORDHOOK FAVORITE

This is white-seeded, of vigorous growth. It bears a wonderful crop of pods which are brittle, juicy, and entirely stringless at all stages of growth. Of excellent flavor. Pkt. 10¢; ½ lb. 25¢; lb. 45¢; 2 lbs. 85¢; 5 lbs. \$2.00, postpaid. By express, 10 lbs. or more, at 28¢ per lb.

48 PENCIL-POD BLACK WAX

An extremely prolific variety with long, straight, light golden yellow pods. The flesh is brittle, solid, and entirely stringless. Of excellent quality. Pkt. 10¢; ½ lb. 20¢; lb. 35¢; 2 lbs. 65¢; 5 lbs. \$1.50, postpaid. By express, 10 lbs. or more, at 22¢ per lb.

44 BURPEE'S KIDNEY WAX

Flat-podded, meaty, brittle, and positively stringless. Very productive. Pkt. 10¢;

½ lb. 25¢; lb. 40¢; 2 lbs. 75¢; 5 lbs. \$1.75, postpaid. By express, 10 lbs. or more, at 25¢ per lb.

CHINESE CABBAGE

This wonderful "green" has gained considerable popularity within recent years. It requires cool weather to develop to perfection, and in the vicinity of Philadelphia it should be sown the first week in August.

Chinese
Cabbage,
Wong Bok

211 WONG BOK

Short, broad, solid heads composed of well-blanching, tightly folded leaves. Pkt. 10¢; oz. 30¢; 4 ozs. 90¢; ½ lb. \$1.65; lb. \$3.00, postpaid.

212 PE-TSAI

Somewhat longer heads than Wong Bok and matures a few days later. Pkt. 10¢; oz. 30¢; 4 ozs. 90¢; ½ lb. \$1.65; lb. \$3.00, postpaid.

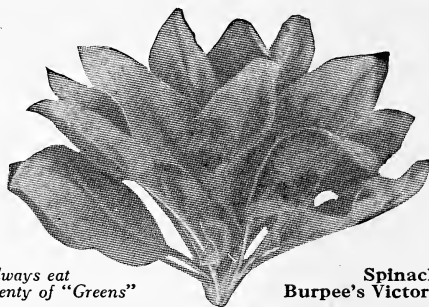

KALE

It is entirely hardy and can be left in the garden all winter long, to be pulled any time it is wanted. The seed may be sown as late as August 15.

446 DWARF GREEN CURLED

This is a variety extensively grown for fall and spring use. It is a tremendous yielder of excellent quality. Pkt. 5¢; 4 ozs. 45¢; ½ lb. 70¢; lb. \$1.25.

448 DWARF SIBERIAN Dwarf compact plants yielding an immense crop of delicious greens. Pkt. 10¢; oz. 20¢; 4 ozs. 45¢; ½ lb. 75¢; lb. \$1.35, postpaid.

plenty of "Greens"

Spinach,
Burpee's Victoria

SPINACH

This cool-weather plant develops to perfection from sowings made any time during August. It will yield fresh greens all during the fall.

991 BURPEE'S VICTORIA

The heavy, broad leaves are slightly crumpled and of finest quality. One of the heaviest yielders. Pkt. 5¢; oz. 12¢; 4 ozs. 25¢; ½ lb. 45¢; lb. 65¢, postpaid.

999 SAVOY-LEAVED This is a favorite wrinkled variety, yielding a tremendous crop. Pkt. 5¢; oz. 12¢; 4 ozs. 25¢; ½ lb. 35¢; lb. 60¢, postpaid.

1001 PRICKLY or WINTER Some gardeners consider this particularly hardy and sow it late in the fall for spring use. A very productive variety. Pkt. 5¢; oz. 12¢; 4 ozs. 30¢; ½ lb. 45¢; lb. 75¢, postpaid.

MUSTARD

Mustard freshly picked makes most delicious "greens." It thrives during cool weather, and in the vicinity of Philadelphia can be sown up to August 15.

647 FORDHOOK FANCY The plants make a vigorous growth and have beautiful dark green leaves. Pkt. 10¢; oz. 20¢; 4 ozs. 45¢; ½ lb. 70¢; lb. \$1.25, postpaid.

655 SOUTHERN GIANT CURLED This is a most popular variety in the South for planting in the fall. The mammoth leaves are produced abundantly. Pkt. 5¢; oz. 12¢; 4 ozs. 30¢; ½ lb. 55¢; lb. 95¢, postpaid.

CORN SALAD 351 LARGE ROUND-LEAVED

This is a hardy winter salad, the seed of which should be sown any time during September and October. It is served like lettuce or used for garnishing meat dishes in the same manner as parsley and cress. During severe winter weather protect the sowing with a thin mulch of hay or straw. Pkt. 10¢; oz. 20¢; 4 ozs. 55¢; ½ lb. 95¢; lb. \$1.75, postpaid.

LETTUCE

Good lettuce can be grown in the vicinity of Philadelphia by sowing the seed about the third week in July. Farther south the planting can be made considerably later.

475 BIG BOSTON This variety is extensively grown in the South for shipping to the northern markets during winter. The heads are tightly folded. Pkt. 10¢; oz. 20¢; 4 ozs. 45¢; ½ lb. 85¢; lb. \$1.50, postpaid.

528 BURPEE'S BRITTLE ICE A wonderful crisp and sweet lettuce of quick and strong growth. Pkt. 10¢; oz. 20¢; 4 ozs. 45¢; ½ lb. 85¢; lb. \$1.50, postpaid.

530 BURPEE'S ICEBERG The large white incurving main-ribs of the leaves hold the heads well together. Does well even during the warm weather. Pkt. 10¢; oz. 20¢; 4 ozs. 60¢; ½ lb. \$1.10; lb. \$2.00, postpaid.

524 NEW YORK IMPROVED Closely folded heads of immense size with a well-blanching heart and rich green outer leaves. Pkt. 15¢; oz. 30¢; 4 ozs. 85¢; ½ lb. \$1.50; lb. \$2.75, postpaid.

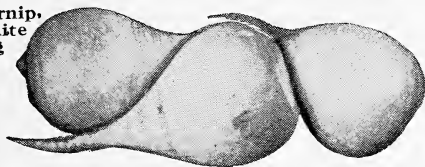

TURNIPS For fall or winter use sow the seed between the middle of July and August 20th. Turnips are easily stored between layers of moist soil in a frostproof and dry cellar.

1157 EARLY RED- or PURPLE-TOP STRAP-LEAF The roots are quite flat, 4 to 6 inches in diameter. The upper portion of the root is a deep purplish red; the lower portion milky white. Pkt. 5¢; oz. 12¢; 4 ozs. 30¢; ½ lb. 50¢; lb. 85¢, postpaid.

1163 PURPLE-TOP WHITE GLOBE Rich purplish red top and creamy white lower portion. The white flesh is firm, crisp, and of mild flavor. Pkt. 10¢; oz. 20¢; 4 ozs. 35¢; ½ lb. 55¢; lb. \$1.00, postpaid.

1169 WHITE EGG Uniformly egg-shaped roots of medium size with clear white skin and flesh. Sweet, mild, and excellent for storing. Pkt. 5¢; oz. 15¢; 4 ozs. 30¢; ½ lb. 55¢; lb. 90¢, postpaid.

CROCUS

Outdoors: Hardly any other flower is so well adapted for naturalizing in the lawn or the meadow as the Crocus. The graceful form of the bright flowers when they bashfully lift their heads just as if to peep and see if anyone else is out yet makes the Crocus one of the loveliest of all spring-flowering bulbs. Crocuses look best when planted in masses either in the lawn, among shrubbery, in the wood-lot, or in beds or borders. They bloom early and will have fin-

ished flowering before the grass is ready for the first cutting, to come up again early the following spring. When the bulbs are planted, they should be covered with about 2 inches of fine soil.

In the house: It is by no means difficult to raise the most beautiful Crocuses indoors in shallow pans, pots, or boxes for an early spring display. They should be planted so that the bulbs almost touch each other. A bowl of crocus will make a magnificent display for over two weeks.

9504 Baron Brunow A very fine deep purple. The best one in this color. The flowers are of largest size. 6 for 20¢; 12 for 35¢; 50 for \$1.20; 100 for \$2.00; 1000 for \$18.00.

9508 Distinction This is a very distinctive shade of rosy purple. The flowers are large and of fine form. 6 for 20¢; 12 for 35¢; 50 for \$1.20; 100 for \$2.00; 1000 for \$18.00.

9515 Golden Yellow A particularly fine variety with intense golden yellow flowers of large size and fine shape. The most outstanding yellow. In mass-planting GOLDEN YELLOW gives a particularly fine effect, and there is none better for winter-blooming in pots. It is a hardy and free-flowering variety. 6 for 20¢; 12 for 35¢; 50 for \$1.20; 100 for \$2.00; 1000 for \$18.00.

9523 Mont Blanc Purest white, with attractive large orange anthers. The texture of the petals is white and wax-like, and forms a sharp contrast against the rich green foliage. 6 for 20¢; 12 for 35¢; 50 for \$1.20; 100 for \$2.00; 1000 for \$18.00.

9526 Pallas The bicolor varieties like PALLAS are most attractive, especially if grown in shallow bulb pans for early indoor blooming. PALLAS has large well-developed blooms of a white ground color, striped and splashed with a lovely lilac shade. The rich orange anthers form a sharp but pleasing contrast. 6 for 20¢; 12 for 35¢; 50 for \$1.20; 100 for \$2.00; 1000 for \$18.00.

9533 Sir Walter Scott White, striped with pale lilac. It is the delicate combination of the soft lilac upon the waxy white background which accounts for the popularity of this variety. 6 for 20¢; 12 for 35¢; 50 for \$1.20; 100 for \$2.00; 1000 for \$18.00.

9542 Fine Mixed Crocus A magnificent and complete mixture of all the finest Crocuses, including, besides the six varieties listed above, a larger number of other varieties that are beautiful. Plant them in masses of a hundred and more in the lawn. 6 for 15¢; 12 for 25¢; 50 for 85¢; 100 for \$1.50; 500 for \$7.00; 1000 for \$13.00.
